

## THANK YOU FOR SUPPORTING SCHOOLREADERS

We would like to use photographs taken during your Schoolreaders event to spread the word about what we do. We may use photographs on printed materials on our website or in promotional films. In order to comply with Data Protection Regulations we need agreement from each person photographed that their image can be used. By signing this form you are giving consent for Schoolreaders to use your image.

Schoolreaders promises that:

- We will either use photographs without any personal information attached, or with very general information, for example, only first names or only surnames, and with non-specific geographical information, eg town or county only. We may on some occasions include the full name of our competition prizewinner and the name of their town, if we have their consent.
- We will store photographs securely.
- We will not pass your photographs on to any third parties.
- If at any time you wish to withdraw consent for the use of your photographs, you can do so by contacting [office@schoolreaders.org](mailto:office@schoolreaders.org). Schoolreaders may not be able recall documents in which an image has already occurred, but will not make further use of the image.
- You can read our full photography policy at [www.schoolreaders.org](http://www.schoolreaders.org)

I agree that Schoolreaders can use photographs of me according to these conditions.
